EDUCATION

Pandit Deendayal Energy University, Gandhinagar
B. Tech in Chemical Engineering

July 2023 – June 2027
8.5 CGPA (till 5th Semester)

Kokilaben Dhirubhai Ambani Reliance Foundation School, Jamnagar

10th Percentage – 92.5% (2021)

12th Percentage – 79.5% (2023)

SKILLS

- Programming Language: Python
- Simulation Tools : DWSIM, CFD simulations (structural & thermal analysis – flow & heat transfer), Comsol Multiphysics (coupled physics problems)
- MS Excel
- Canva

CERTIFICATIONS / COURSES

- Simulation Tools for Engineering Problems (STEP 3.0) – Sardar Vallabhbhai National Institute of Technology (SVNIT), Surat (2025)

INTERNSHIP

CSSI Internship at Green Communitree/Chaitanya Charitable Trust, Jamnagar (May-June, 2024)

- Worked on sustainability project focused on EcoBricks
- Assisted in organising awareness drives on plastic waste management & environmental conservation

EXPERIENCE

Industrial visit to Amul, IFFCO and Expresolv Limited (2025)

- Gained exposure to operational & manufacturing processes of materials

LANGUAGES KNOWN

- English
- Hindi
- Bengali

AREAS OF INTEREST

- Process Design and Simulation
- Industrial Safety and Sustainability
